# The \$2999.<sup>\*</sup> rabbit.

Happy days are here again.

We just pulled a rabbit out of a hat:

A new sub-compact car that goes 93 mph (we strongly suggest you obey all speed limits) and has the power for incredible acceleration. Scoots from 0 to 50 in just 8.2 seconds. Yet it gets 38 mpg on the highway and 24 in the city according to the '75 model Federal EPA tests!

Yessir! And you get a hatchback, front-wheel drive, VW's unique rear stabilizer axle and the Volkswagen Owner's Security Blanket with Computer Analysis.<sup>†</sup>

All this for an amazingly low \$2999.

The new VW Rabbit means happy days are here again. And that's no illusion.

## VW rabbit

#### **A CAPPELLA CHORUS**

The A Cappella Chorus is one of the busiest organizations at Northeastern Christian Junior College, having traveled more than 28,000 miles to perform in some 18 states during the past eight years that Larry Bills has served as the group's director. Last spring the chorus took their most extensive tour which included a singing tour to Miami, Florida, and two weeks in Jamaica. Just recently, the group traveled to Oklahoma City to participate in a Christian College Choral Festival at Oklahoma Christian College. Last weekend, many of the singers were members of the cast of the spring musical production, "South Pacific."

Northeastern is located in the beautiful Philadelphia suburb of Villanova. The college offers a two-year liberal arts program leading to the Associate Degree. The primary aim of the academic program is to give students a solid foundation in the first two years for transfer to a bachelor's degree institution. Because of its size (less than 200 students) and Christian emphasis, a friendly and personal atmosphere provides an educational experience that is unique and rewarding.

THE COMMUNITY:

The Midway Little League extends its best wishes and continued success to the Ram's Championship Marching Band, Color Guard and Twirlers.

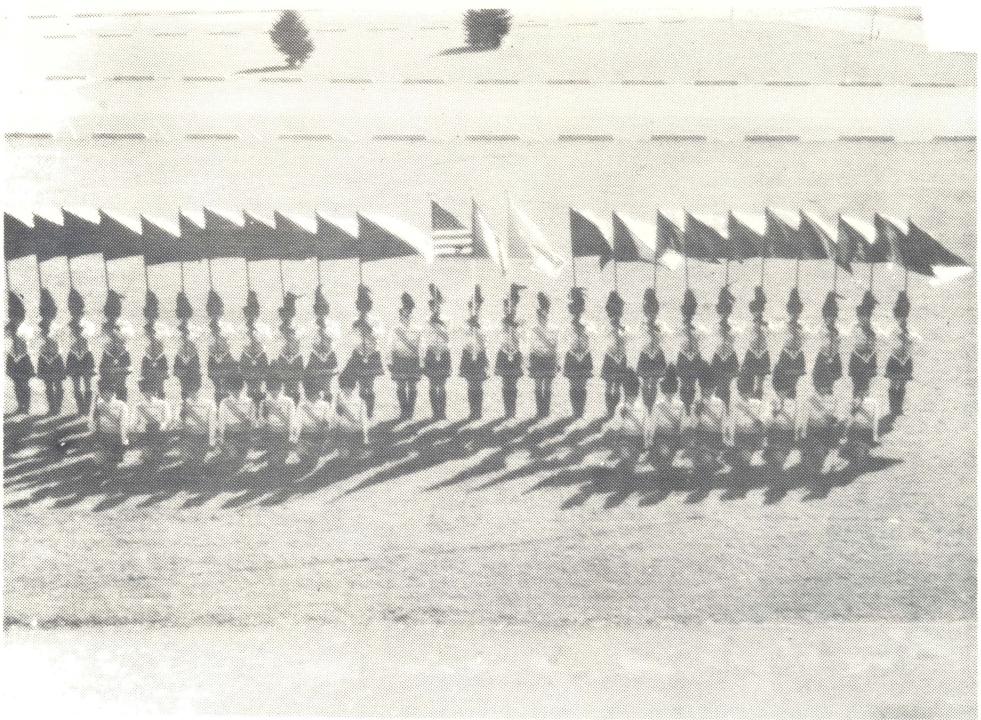

We take this opportunity also to thank the Stanton School District and the New Castle County Department of Parks and Recreation for the wonderful spirit of cooperation between us in the scheduling and use of ball fields for the use of our 28 teams. We sincerely hope this friendship will continue.

We wish also to acknowledge the financial assistance given by the following business firms and organizations. We encourage the community at large to patronize these people in appreciation for the generous community spirit demonstrated.
